Hi Gaylen and Ron,

There is a problem with the Reclamation Contract that will need to be corrected before we can approve your proposed small mine permit. See the page 5 that you submitted (attached).

Since your NOI paperwork says that the Operator is "Long Ridge LLC", you also need to have "Long Ridge LLC" listed as the Operator on the Reclamation Contract (instead of "Gaylen Cropper"). This applies to both page 1 and 5 of the Reclamation Contract. Otherwise, it is correct.

Please re-submit a signed and notarized Reclamation Contract, found at this link:

If you have any questions, contact either Penny Berry (801-538-5291) or me. FYI, I am still waiting to hear from the BLM regarding an agreed-upon bond amount.

Hi Gaylen and Ron,

Your Notice as currently submitted will meet the Division requirements. Once I hear back from the BLM about a specific bond amount that we agree will be appropriate for your plan and the site, I will let you know so you can submit the bond.

In the meantime, we still need a signed and notarized reclamation contract. Here's a link to the form that you can print, sign & notarize, and then mail back in:

Let me know if you don't get this email. Call either Penny Berry (801-538-5291) or I if you have questions about the reclamation contract. Thanks.

Peter
